

6/3/81
Field notes from S.W. Iowa

PHIPPS

Wood Ducks nesting @ Manti Wood.

Scissor-tailed Flycatcher was seen SW of Clarinda May 8 by Ernest Borchwick

Red-br. Nuthatch - My late spring date was April 5 in my backyard.

No. Mockingbird was seen + heard by Marie Spears + me Apr. 25 @ Manti

Blue-gray Gnatcatcher - I saw them 5-02, 5-20, + 5-23 @ Manti. It's been several years since there have been nesting birds there

Warbler migration was poor.

Connecticut Warbler was seen by Jean Braley May 18 in Shuandaok.

Evening Grosbeak - last date 4-20
in my backyard

White-winged Crossbill - last date
was April 6 in my backyard.
