- ✓ Black Scaup -- 1 ♀ at Volga Lake, Fayette Co. Nov. 21. See documentation. J.S.
- ✓ Golden Eagle -- 2 found in Allamakee Co. (1 adult and 1 imm). Darwin Koenig & J.S.
- ✓ Swainson's Hawk -- 2 at Waucoma, Fayette Co. Aug 3. J.S.
- ✓ Northern Waterthrush -- 1 at St. Lucas Aug. 4. J.S.
- ✓ Tennessee Warbler -- 1, at Meyer Lake, Winneshiek Co. Aug 9. J.S.
- ✓ Canada Warbler -- 1, at Meyer Lake Aug. 9. J.S.

I have looked through all my old records and have found few of interest for Iowa's Bird Book. The only record I consider

worth reporting to you was a ✓ Clay-colored Sparrow that was on territory near St. Lucas in 1974. It was found singing from May till July 15 of that year, possibly a nesting bird.

Yours
Joe Schaufenbuel.
