Doug Rose, P-0418 [19 Aug 1994]

REFERENCES

Field Reports: IBL 64:44,50
Records Committee: IBL 65:82

VOTE: 7 A-P

A-P, Southwest Iowa must have been more tropical that day than the rest of the state!
A-P, Good photo of female or immature.
A-P, No doubt about this one.
