

MacGillivray's Warbler

1978

not given, IA

G. and M. Burns

IBL 49:44

Record Number: 81-ED
Classification: NA

REFERENCE

Layton, K., and I. Layton. 1979. Banding report. IBL 49:44-46.
VOTE (1981): 1-II, 2-IV, 4-V

V, no detail, second hand, no excuse for not photographing.

IV, date? location? No details. Was description/measurements
etc taken?

V, Second hand report: No data, although the bird was
apparently banded. No date.

V, No details published. See 3 above. If a fall record, should
definitely be unacceptable!

81-ED

Layton, K. and I. Layton. 1979. Banding report. Iowa Bird Life 49:44-46 (p 44)

GENE & MARILYN BURNS -- McGillivray's Warbler. (The only other
reported for Iowa was one by Diggs in 1974.)
