Baird's Sparrow

CA 1933

Sioux City region, Woodbury Co., IA

unknown

DuMont 1933

Record Number: 81-GY

Classification: NA

REFERENCE

DuMont 1933

VOTE (1981): 1-IV, 6-V

V, no details - I am surprised DuMont even mentioned this record (1934).

81-64

Ammodramus bairdi (Audubon). Baird's Sparrow

Anderson (1907) included this species on the basis of observations in Poweshiek County by Kelsey and Jones, and in Pottawattamie County by Trostler. Recently it has been reported as observed in Polk County and in the Sioux City region. There are no specimens.
