Hi Thomas,

Here is my Summer report.

Yellow-billed Cuckoo: Sightings down by half.

Black-billed Cuckoo: Numbers down from last year.

Ruby-thr. Hummingbird: Sighting down.

✓ Purple Martin: I have reports from 10 colonies. Most had a small increase in nesting pairs. My colony was up to 40 pair.

Wood Thrush: More singing here this Summer than in past.

✓ Eastern Bluebird: Slight increase over last year, 21 nests on trail.

Sincerely,

Dean Mosman
