REPORTING FORM FOR ENDANGERED/THREATENED OR UNCOMMON SPECIES

In an attempt to update the files on endangered species, to further delineate the ranges in Iowa of some of the more uncommon species and to establish a more extensive data base from which to make decisions, I am providing a form for standard reporting of these species. Please send to: Dean Roosa, Iowa Conservation Commission, Wallace State Office Building, Des Moines, IA 50319.

Name of species (scientific or common) DOUBLE-CRESTED CORMORANT

Date of observation: 10-14-82 (6:30pm) Location: County POLK

Township CROCKER Sec. 30 R- - T- -

If township, etc are unknown to you, describe in terms of distance from nearest landmark, city, etc. Three miles west of Ankeny, south end of Saylorville Lake

Habitat (be as specific as possible) Approximately 600 cormorants flew over the Cottonwood Picnic Area and landed in the south end of Saylorville Lake where they roosted for the night
