thru Feb, | at feeder of ^{Ed and} Betty Savage,
Marshall town |
| * Harris' Sparrow | 1 | early
Dec | at feeder of Phyllis Harris, Union |
| * Lapland Longspur | 200 | 6 Jan | w. central Grundy Co.
Mark Proescholdt, Liscomb |

The period covering December and January was the eighth warmest on record with the snowfall for the first half of the winter much lighter than normal, nice for people, but probably an influence in our seeing no Redpolls, no Evening Grosbeaks, no Crossbills, no Snow Buntings
