✓ HOODED WARBLER	1	6/3	DES MOINES; BROWN'S WOODS. 1 MALE SINGING LOUDLY. SAME LOCALITY WHERE IT HAS BEEN FOUND BREEDING FOR SEVERAL YEARS.

Dear Tom:

Although I said that Spring would be my last report, I couldn't help but to send these along. We left Iowa on June 11 and miss it very much although it is very lovely there. I do look forward to wintering sea birds, etc. Best Wishes. I look forward to receiving A.B.L. for some time.

Sincerely,  
René Lambach
