IOWA CITY, IA 52240

DEAR DR. KENT,

ON AUGUST 4<sup>th</sup> MY CO-WORKER STUART SILVER AND I SIGHTED A COMMON LOON IN WINTER PLUMAGE ON BIG CREEK LAKE IN POLK COUNTY. THE BIRD REMAINED ON THE LAKE FOR 4 DAYS BEFORE MOVING ON. I CHECKED THIS IDENTIFICATION WITH DAVE NEWHOUSE OF THE IOWA CONSERVATION COMMISSION AND JIM DINSMORE OF IOWA STATE UNIVERSITY, WHO BOTH SUGGESTED I LET YOU KNOW.

THANK YOU.
