

SANDROCK

COMMENTS:

Tom,

I don't know about everyone else, but the warm spring had me looking for spring birds long before they were due. It will be interesting to see if there were in fact many "early arrivals" this year.

The trees in SE Iowa leafed out early, and the foliage in general was denser earlier this spring than in the previous 5 years (personal observation).

Season: Spring Year: 1985

Name and address JAMES P. SANDROCK

Other observers (name, city):

(print or type) 1634 Morningside Drive, Iowa City

Donna J. Sandrock, Iowa City
