Dear Tom the Common nighthouses were feeding over open water ah about 100 to 200 ft. high. They only feed from 2 pm. to 3 pm. I wonder of that was when the seen would keep the eggs worm. They only did This deering the week of the zot. I saw Them at earlyer & later Times but in smaller nos. ober The downlowr area. (Muse.) Denny Whith

Did not get out much This spring.
