

UNITED STATES GOVERNMENT

Memorandum

TO : Bob Howe, I, N, A, I.

DATE: 6-26-84

FROM : Tim Mason, Effigy Mounds N.M.

RECEIVED BY

JUN 27 1984

SUBJECT: Cormorant Nesting

Bob, Sending Along copy of map - note ^{LANDS & WATERS} this long
established G.B.H. rookery is further south
of mouth of Paint Creek than I had
indicated per our phone conversation
yesterday. If you have ANY NEAT NATURAL
history related printed matter put me
ON your MAILING LIST. THANK

Tim Mason

Permit and trap tags, and trap in accordance with state laws and more restrictive federal trapping regulations. Trapping permits, tags and regulations available through the refuge headquarters and district offices listed elsewhere in this brochure.

The accuracy of this map cannot be guaranteed as the features of the river are constantly changing.

10 to 20
Double-Crested
CORMORANT
Nests
Among G.B.H.
Rookery
