

DINSMORE

Field Reports Spring 1985

Jim Dinsmore

Alma # 50011

- ✓ Least Bittern - 1 near West Okoboji Lake 2 May - very early
- ✓ Peregrine Falcon - 1 at Saylorville Res on 8 April with Steve Dinsmore
- ~~do~~ Yellow Rail - 2 flushed at Doolittle Prairie (near Story, City) on 28 April
with Steve Dinsmore, etc
- ✓ Alder Flycatcher - 1 near Albion, Marshall Co - 19 May - JDinsman, D Koenig
- ✓ Pine Siskin - numerous birds seen on ISU campus all spring and seen as late as
24 May, one nest found, still active on 11 May (SDinsman, JDinsman)
- ✓ Red Crossbill - birds seen on ISU campus all spring by Jack Holloway and others, seen
as late as 29 April (not sure if Jack sent anything in to you)

Bretty slow spring for me - must be getting old
