Whimpered Cuckoo

= New Bchng.

Corrections from Spring Report

Whimbrel = *Pm not *Mm~~3~~

Tundra Swan = 40 at Charles Ck, not 200 (JLH)

Addition:

Western Tanager: A male was seen near
Sabula along the Mississippi R. on 23 May
(Lee G. Johnson).

→ Rockford Ill

Jim: This looks OK - sent to Peterjohn +
then to me. I will send to Records Committee,
but I see no reason not to print it now.
