Dear Dr. Halmi;

The following are my spring observations:

Whistling Swan--5 at Cardinal Marsh on Apr. 11.

Golden Eagle--one immature near Highlandville  
on Feb. 25.

Am. Woodcock--a brood of 4, 3/4 grown young  
at Brush Creek Canyon State Preserve on  
May 6.

Townsend's Solitaire--2 near Highlandville  
on Mar. 5. Observed by Joe Schaufenbuel  
and myself.

Sincerely,

Darwin Koenig
