

Nov. 30th

Hi Tom!

Here's a late IOU Field Report for you:

1 N. Saw-whet Owl seen Nov. 30th by me at Grammer Grove Wildlife Area (Marshall Co.),

I hope you and Francis saw nice birds in NW Iowa. Good winter birding to you!

Tom → Correction from June 1984 — Iowa Bird Life

Cinnamon Teal — Big Marsh

{Sorry I didn't make correction right away, but I thought I'd just let it go. But a correct account should be there for IOU records.}

April 18th — Big Marsh — Butler Co.

⇒ Cinnamon Teal — (Beth + Mark Proescholdt, Ramona Sommerlot,
+ Phyllis Harris — who spotted it)

we called Bob +/or Francis
they both saw it April 19th at Big Marsh

April 20 — Mom, Phyllis, + I saw the Cinnamon Teal
in the same area at 6:30 a.m.

The date in Iowa Bird Life for us of
May 6, 1984 for the Cinnamon Teal is incorrect.
