

LESTER

IBL Fall Editor:

30 Nov. 1985

It may be worth 0.14¢ and 0.60 seconds to write that there were 3 male Wood Ducks at Lansing, Iowa on Nov. 24. Hope someone got to Harper's Ferry that weekend as there was an excellent accumulation of Tundra Swans/upriver at LaCrosse.

Send fall reports by Dec. 1 is easy when you have only one report.

Sincerely,
Fred Leske
