

July 3, 1978

American Redstart, (cont.) 2 - Ledges State Park, they were seen on their nest in lower park on the nature trail, July 2.  
They seem to be all along the Des Moines River as witnessed by the sightings.

Orchard Oriole, 1 - McFarland Park, June 14, first year male was seen

Rufous-sided Towhee, 1 - McFarland Park, June 14, only second such bird seen this year in Story county

These birds were seen at the following dates and places:

Turkey vultures, 5 - Springbrook State Park, Guthrie Co., June 11

10 - Ledges State Park, Boone Co., July 2

Bobwhite, 15 - Saylorville, flushed two coveys, June 10

Heard several at Sheeder Prairie in Guthrie Co. June 11

Heard several at McFarland Park, Story Co. June 14

Yellow-billed cuckoos, 1 - Saylorville, June 10

2 - McFarland Park, June 14

2 - Ledges, June 19

Tufted-titmouse, 2 - McDonald Woods, Story Co., June 12

These are the only ones that I have observed the whole Spring and Summer. They are nesting here.

Blue-gray gnatcatcher, 2 - Ledges State Park, June 19

I have found the nest where the creek that flows thru the park enters the Des Moines River.

Yellow-throated vireos, 1 - McFarland Park, June 14

Cerulean warbler, 1 - Ledges State Park, July 2

American 1 - Saylorville dam area June 10
