STATE CONSERVATION COMMISSION - DES MOINES, IOWA

TO: Boone
Doug Reeves

DATE: May 13, 1986

FROM: Al Farris *ALF*

SUBJECT: Woodcock Breeding Record

On April 23, 1986, while hunting turkeys in Lucas County, I observed a female woodcock with two juvenile woodcock. The young were approximately 25 percent grown. While this is not a ~~breeding or~~ a nest record, it is definitely a breeding bird record.

Jim,

In case I hadn't already sent you a copy of this,

Doug R.
