

Field Report: from Lucille Gaffney
Swaledale, Ia.

March 31, Male House Finch at feeder
most of the day. (I have "birded" for
many^{yo} now and had a good look at
this finch with several books available,
am certain it was a house finch

on May 2 - 1 male evening
grasbeak appeared at feeder - thought
this was late. Thanks. (Do you know Boyd Myers
Osage?)
