Dear James

I would like to order the
Third Edition of Peter & Peterson
Dowpart: Quad-city Audubon
Society 1987. 27 pp, Booklet

I read about it in the Spring Iowa Bird Life
on page 61

I think I can make use of it, because
I will be visiting the Quad-cities quite often
I am enclosing a check for 1.25

Thank you

P.S. I enjoyed the picture of the House Finch on the
cover of Iowa Bird Life, I have had House Finch
nesting in my neighborhood for 3 summers now, they
bring their young to my feeder, I am using Safflower
seed, this last week I had 6 females & 2 males at
one time, 3 of those 6 females were young ones this
year, there has been females feeding here all thru
June & July & there still here every day.
