Dr. Jim Dinsmore  
4024 Arkansas Drive  
Ames, IA 50010

Dr. Dinsmore:

Mark Proescholdt thought you might be interested in these. The shot of the short-eared owl was taken on my farm in southwestern Tama County earlier this summer. The slide of the white-headed cardinal was taken last winter in Montour, IA. The cardinal stayed around the area most of the winter.

Please return the slide and print when you are finished with them.

Sincerely,

Mark D. Bro
