RE: I.O.U. Field Reports: 8/1-11/30/88

Dear Mr. Bendorf:

We are new members of I.O.U., having joined in October of this year. Steve Dinsmore said we should send in a "field report" to you. We are enclosing our field report with this note. Since we have not submitted a "field report" before, we hope we have included all the pertinent information. If not, perhaps we will get it right the next time.

Please let us know if there is further information you need.

Sincerely,

A handwritten signature in blue ink that reads "Pam Allen". The signature is written in a cursive style.
