

Carolina Wren
Bird Eagle 198 number 125

promisingly after that program is completed.
They will be under their care for those days and will be returned
Eagle Days program at Saylorville Reservoir to be held on 3 March
and joining them to Steve Dinsmore and Robert Myers for use in an
collection at Iowa State University where they are under my care. I
The following species are all part of the scientific

Carolina Wren

TO WHOM IT MAY CONCERN:
