Hi Jim:

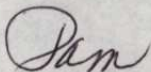

Enclosed are our short list of Field Reports for June/July, 1992.

Eugene Armstrong asked me to tell you that he had an Osprey on Thursday, July 30, 1992 at Badger Creek Recreation Area in Madison County. Eloise mentioned that she had forgotten Field Reports were due, so they asked me to include Eugene's Osprey in this letter. Is this an early date?

Anyway, I'm getting very fed up with Multi-Media here in Des Moines. So sorry that the slides aren't included with this report.

Have a good trip (going somewhere fun?). "HI" to Pat.

Regards,
