TOM-

Attached is my documentation of the sighting of two <sup>✓</sup> snow buntings in Muscatine on October 27, 1992. Birds were observed near the Mississippi waterfront in The Riverside Park. Downtown Muscatine. The two were in winter plumage, feeding along the shoulder of the road in some gravel.

Time: 12:30 pm.

wind: 5-10 mph (est)

Temp: 50°F (est)

sky: <sup>Partial.</sup> Cloudy

Observed with 10x50 Binoculars at close distance. (15-20 yards.)
