

Nov. 18, 1974
120 W. Olive
Lake City, Iowa 51449

Please accept my fall field reports for I.O.U.
I am a long-time member but irregular at
field reports, but am trying to submit
3 or 4 times a year now. A move this summer
took most of our time, but here are a few
observations. Thank you.

The field reports are the most interesting
part of our magazine. Thanks for your part.
