Dear Tom:

I am submitting what little I have observed this fall. If there is nothing here of interest, please do not feel compelled to include it. I will not be offended. You have complete liberty to use only what is important, which may be nothing. If you have any questions feel free to call. (day 712-279-6987) (Eve. 721-239-3954). Thank you.
