

Name	Date most seen	Number	Location
Horned Lark	7/31/94	5	Prairie City
* Tree Swallow	7/31/94	440	Reasnor
Loggerhead Shrike	7/31/94	1	Mingo ... at an old cemetery

* I groups on power lines 3 miles south of Reasnor.

I realize that this is a small list. I generally include only what I had considered noteworthy.

I did notice quite a large number of juvenile Kestrels especially in southern Jasper county. -- 8 on 7-31-94 South of Reasnor → Prairie City
