Our Motto, Good Prices, Good Goods

I have a fine list of Iowa farms, size from 80 to 1,000 acres in a body. Prices from \$40 to \$65 an acre. Also small and large tracts of land in Minnesota and Eastern Dakota. Fine ranches well stocked with flowing wells within 2 to 7 miles of good railroad town, price \$10 to \$25 per acre. Will consider good stocks of merchandise or clear city property. City and college properties for sale.

Write for Price List.
