Watches, Jewelry and Silverware

This Directory is furnished you free of charge. The firms herein represented have made its publication possible. If you find it a help to you, it is not unfair to ask you to give these firms a share of your patronage. :: . :: :: :: :: :: ::

In order that the Directory may be issued at an early date this term, something in the way of completeness and systematic arrangement has been sacrificed. It is hoped that any inconvenience that may result from this will be outweighed by the advantage of the early issue.

OTTO & SAMPSON, Publishers.

I have a fine list of Iowa farms, size from 80 to 1,000 acres in a body. Prices from \$40 to \$65 an acre. Also small and large tracts of land in Minnesota and Eastern Dakota. Fine ranches well stocked with flowing wells within 2 to 7 miles of good railroad town; price \$10 to \$25 per acre. Will consider good stocks of merchandise or clear city property. City and college properties for sale.

The Iowa State College

OF

Agriculture and Mechanic Arts

Fifteen buildings, large and well selected library, extensive laboratories, thoroughly equipped sixty-nine instructors. In agriculture—a four year course, three dairy courses and elective courses. In mechanic arts—courses in civil engineering, mechanical engineering, electrical engineering and mining engineering. In science—a four year course group courses and elective courses and a course in veterinary medicine. A course in general and domestic science for women. Men and women are admitted alike to all the privileges of the institution. Margaret Hall with modern conveniences for the living of young women. Tuition is free.
