They Say

“beauty is skin deep.” Granted, but how about the beautiful in art? “Skin deep” does not apply here, but skill rules. It’s the rule if you’re going to sit for a photograph to go to some place you have confidence in and believe you’ll get a life-like picture and one that’s well executed. That place is at the Cottage Studio and we invite your patronage.

After the Trial Comes the Verdict, Which is
the Same in Every Case

Very Best Obtainable

Ames, Iowa, Sept. 4, 1906.

Once I was blind but now I can see. After trying many of the so-called eye specialists, I can cheerfully recommend Dr. Yeomans as being able to do a very much higher grade of optical work than I have ever been able to obtain elsewhere.

FRANK N. FOWLER.

Ames, Iowa, Sept. 4, 1906.

I have worn glasses since eight years old, have been fitted by a great many specialists from the largest cities, and will say that the work done for me by Dr. Yeomans is the finest I have ever been able to obtain anywhere.

H. H. WOOLMAN.

For over a year I have worn glasses fitted to my eyes by Dr. Yeomans of Ames. For years I have used glasses fitted by specialists in both Des Moines and Denver, but never before consulting Dr. Yeomans have I had a satisfactory and comfortably fitting lens. I take pleasure in recommending Dr. Yeomans to the public.

DELLA J. MORRIS.

I devote my entire time to the practice of Ophthalmology, using an entirely new system of testing. I use no drugs, machine or other graft methods. I solicit the patronage of those wanting the very best obtainable. Office, East Main St., over Cooley & Jones.
