## The Quade Studio

"HULLY GEE"

Here you are again. Can't blame you, though. Such an elegant family surely ought to have their pictures taken once a month. Kind reader we exaggerate. They don't come once a month, but we'd like them to. It's their duty, though, as well as everybody else's to have

PICTURES TAKEN

We except no one and the Quade Studio is known to be the best out. Have a sitting and make your friends and acquaintances happy by sending them your photograph.
