MEDITATION

is the forerunner of action. A lovely woman sits down and thinks over the number of friends who want her photograph. She makes a list of them, and after that there's "action." If the "action" is of the kind that resolves itself in engaging us to print the pictures, no one will be disappointed.

MOORE'S NON-LEAKABLE FOUNTAIN PENS

WRITE RIGHT

¶ They never leak. They are filled and tested at the factory and hat same ink is in them when you buy them at the store. What better proof could there be that Moore's Fountain Pens never leak?

¶ The traveler appreciates the fact that it is not necessary to carry Moore's in an upright position. When the cap is screwed on the pen, it is as tight as a bottle. Either end up or lying flat it cannot leak. There's no joint to leak ink just where the fingers hold the pen. ¶ As easy to fill as a bottle, unscrew the cap and put in the ink. The ink flows evenly and freely. No shaking needed. \$2.50 and up, fine, medium and stub nibs. Write for circular.
