DO YOU KNOW

That the best shoes you can put on your feet don't necessarily cost more than the other kind? It's a matter of selection and in buying. Our way of making and holding customers is to give them the benefit of our years of experience in fitting shoes; to show the styles best adapted to the foot regardless of the selling price. You can buy the best shoes made, at our store, and they are not high priced. Once we get a chance to prove this to you, we'll keep you as a customer. Remember, the attraction is in the shoes we sell as well as in their quality and our service.

A Small Beginning

Often leads to great success. Some people look down on small beginnings. They have an idea will not suffice to start a bank account. One dollar will start a savings account and you can develop a substantial account from this beginning if you have a determination to get ahead.

We like these small beginnings—they show the true savings spirit.

HEADQUARTERS FOR POSTAL CARDS—WILLIAMS

A Man and His Clothes

Do not always agree. He gets mad with them because they look soiled and out of shape. Every such man should send his clothes to us and we will make them agreeable to him. We will so clean and press them that he will be delighted to see and wear them again. We do not charge much for this service, and it takes but little time to perform it.

COAL

AND

FEED

Susquehanna Anthracite in all sizes.

Our "Blue Gem" is a Kentucky coal, long flame, white ash, no clinkers or dirt; the equal of any coal on the market.

Our "Buffalo White Ash" is from West Virginia, is a free burner and as its name indicates, a white ash coal; one of the very best splint coals; like the "Blue Gem," is remarkably free from dirt and clinkers.

The "Linton Indiana Egg" is giving splendid satisfaction for stove and range use.

Iowa Coal is from the W. D. Johnson & Co. Lower Vein, Boone, Iowa. No better Iowa coal sold on local market.

Illinois strike not settled. When settled we will handle **Shellbark, Franklin Co., Spring Valley** and **Peerless**.

OUR MOTTO: "Full weights and no substitution of coal."

All kinds of Feed and Mill Stuff.

We want your patronage.

THE FACTS

Copyright 1910
The House of Kuppenheimer
Chicago

IT'S a fact, Sir, that the road to prosperity is paved with good Clothes, and it is most easily trod by men who always dress in becoming attire. It never pays to economize to the point of looking poorly or carelessly dressed.

Our Fall Garments are very reasonably priced, and our GOOD CLOTHES are easily within the reach of any purse.

WE'RE AN OPEN DOOR TO CLOTHES
EXCELLENCE AND CLOTHES ECON-
OMY, AND WE ARE AT YOUR SERVICE

Here's Where We Win

In years gone by eye-glasses had but one use: They were used to assist the old folks in reading and sewing. Today we have found many new uses for glasses. Near-sight, far-sight, neuralgia, headache, cross-eyes, etc., are promptly relieved by properly fitted glasses.

I can and do guarantee satisfaction because I have the trained ability, equipment and facilities.

A trial is my most convincing argument.

A Marvel of Simplicity and Durability

Absolutely Perfect

DUNN'S LOCK FLOAT

After years of experimenting, Mr. Dunn has devised the "Lock" Float shown above, which for simplicity of construction and durability is unequaled. The mechanism is entirely novel and free from the defects of all other floats, and hence, besides practicability, it possesses durability, as the locking device can never wear out.

Points of Superiority 1st—Has no screws to rust in or wear out. 2nd—Will hold either a long or short blade. 3rd—Can be easily cleaned, as the parts are all accessible. 4th—It is practically indestructible. 5th—Requires no special blades.

**MOORE'S
NON-LEAKABLE**

Moore's Non-Leakable has many advantages over the ordinary fountain pen. You can carry it anywhere and in any position with the absolute assurance that it will not leak. When the pen point is pulled down into the barrel and the cap properly adjusted, the ink becomes incased in an air-tight and ink-tight chamber, thus making leakage utterly impossible. By this simple operation the pen point rests in ink, and is all ready for instant use without requiring the preliminary shaking so common with fountain pens.

Moore's is the easiest of pens to fill. Simply unscrew the cap and it is ready to fill, no joints to unscrew or parts to take off. Styles and sizes to suit all tastes and purposes. \$2.50, \$3.50 and up. **INSIST ON MOORE'S.**

MOORE'S NON-LEAKABLE MIDGET—2¼" long. Just the pen for Doctors. Can be carried conveniently in your lower vest pocket. Price \$2.50.
