BETTER SHOES ! ! !

Any man or woman can go to plenty of stores and buy a pair of shoes "that will do" or that fit "fairly well", but that is not the kind of Shoes you're looking for and it is certainly not the sort of shoes we offer you.

Inside a pair of our Shoes any Man or any Woman can be proud of their feet, for they will be dressed in style and will feel comfortable.

Our "BETTER SHOES" and expert Shoe Service insures it.

A Man and His Clothes

Do not always agree. He gets mad with them because they look soiled and out of shape. Every such man should send his clothes to us and we will make them agreeable to him. We will so clean and press them that he will be delighted to see and wear them again. We do not charge much for this service, and it takes but little time to perform it.

LAUGHING EYES are the pic-

ture of health. Tired, heavy and squinting eyes are overloaded and will break down sooner or later.

CORRECTLY fitted lenses, relieve all eye strain and impart that delightfully cool sensation that inflamed eyes crave.

MY MODERN EQUIPMENT will surprise you with the accurate results obtained by its use and at prices so moderate, you will wonder why you put off so long. I PRIDE MYSELF upon every pair of glasses turned out, their neatness compels admiration.
