THE STUDENTS' DIRECTORY

IOWA

STATE COLLEGE

AMES

By FRED H. ANTHONY

We take advantage of this opportunity to thank the advertisers of Ames for their co-operation in "getting out" a directory that we hope is worthy of our institution. In order to facilitate the publishing we have placed most of the miscellaneous matter before the student directory proper.

Varsity Song

By E. A. WENTWORTH, (Air "Fair Harvard,")

"State College of Iowa, we give to thee
 Our allegiance, the strength of our life ;
 We'll follow thy mandates endeavoring to be
 True sons when engaged in world's strife.
 May the mem'ry of joys that now we must leave,
 And the triumphs of Cardinal and Gold,
 Make lighter life's labor and victories won
 In thine honor, preceptress be told.

"Brightest star that shall ever illumine our sky,
 Be our hope, be our strength and our shield ;
 Though oft' times the dark clouds our courage may try,
 Alma Mater ! thy sons will not yield.
 Light our paths, lead us on, make clearer our way,
 May your glory nor fame ne'er decline,
 Oh ! Iowa's Queen, thou the fairest of all
 Our hearts and our names link with thine."

Varsity Colors—Cardinal and Gold**Grounds and Buildings**

The whole college domain comprises about 1200 acres, of which 125 acres are in campus proper. The buildings, exclusive of residences, now number about forty, and there are about twenty of the latter.

Campanile

The Campanile, a tower 110 feet high, contains a Seth Thomas tower clock with four dials, each seven feet in diameter. It also contains the "Margaret Chimes" which was presented by President Stanton in memory of Margaret McDonald Stanton. The total weight of the ten bells is 15,000 pounds and they were manufactured by John Taylor & Company of Loughborough, England.

Bits of History

College first opened, March 17, 1869.
 First President, Dr. A. S. Welch.
 First Freshman class numbered 68.
 First commencement class, 1872, numbered 26.

C. E. Dragoun, Manager

Telephone No. 10

Ames, Iowa

First Diploma was presented to President E. W. Stanton
 First Buildings: Farm House, First story of west wing of Chemical
 Laboratory, Old Main, Music Hall (burned in January, 1912), and
 the Maples (present home of Dean Stanton.)

First faculty and instruction force numbered about one dozen.

Present faculty and instruction force numbers about 175.

Margaret Hall was named after Margaret McDonald Stanton, who
 was the first preceptress. She filled this position for nine years.
 Old Main burned, 1900.

Tinsley, the Jeweler

Is installing the latest equipment for Watch, Clock and Jewelry repairing to be found in central Iowa. The street clock tells the time and where he is located

If you'll leak
\$2.50 AND UP
MOORE'S
 THE ORIGINAL NON-LEAKABLE
FOUNTAIN PEN

Always ready to write at the first stroke without shaking.

That is a vital point which is lacking in ordinary fountain pens. You can readily understand how this is made possible in a Moore when we explain that the pen when not in use lies submerged in ink which keeps it moist and prepared for instant writing, positively eliminating the necessity of shaking.

But that is not all of its strong features. The Moore can be carried in any position without the least fear of leaking. Has a large ink capacity. Always writes freely and evenly, and is easily filled.

Every Moore Non-Leakable Fountain Pen carries with it the most unconditional guarantee.

BE SURE IT'S A MOORE.

Before and After

"MY SUIT HAS BEEN
CLEANED AND PRESSED"

"MINE
HASN'T"

When this contrast is applied to a suit that has passed through our hands the wonderful difference is immediately seen. The mussed and wrinkled Suit assumes a new and stylish shape, and every spot and stain disappears as if by magic. But the "magic" is merely our superior facilities for cleaning and pressing in the modern way—the most satisfactory way to our patrons

Ames Pantorium

E. M. Kooker, Proprietor
