## The College

The Iowa State College of Agriculture and Mechanic Arts conducts work in five major lines:

Agriculture  
Engineering  
Home Economics  
Industrial Science  
Veterinary Medicine

The Graduate Division conducts advanced research and instruction in all these five lines.

Four-year, five-year and six-year collegiate courses are offered in different divisions of the college. Non-collegiate courses are offered in agriculture, engineering and home economics. Summer Sessions include graduate, collegiate and noncollegiate work. Short courses are offered in the winter.

Extension courses are conducted at various points throughout the state. Research work is conducted in the Agricultural and Engineering Experiment Stations and in the Veterinary Research Laboratory.

Special announcements of the different branches of the work are supplied, free of charge, on application. The general college catalogue will be sent on request.

Address, HERMAN KNAPP, Registrar,

Ames, Iowa.
