The College

The Iowa State College of Agriculture and Mechanic Arts conducts work in five major fields:

- Agriculture
- Engineering
- Home Economics
- Industrial Science
- Veterinary Medicine

The Graduate College conducts advanced research and instruction in all these five fields.

Four-year, five-year, and six-year collegiate courses are offered in different divisions of the college. Non-collegiate courses are offered in agriculture. Summer Sessions include graduate and collegiate work. Short courses are offered in the winter.

Extension courses are conducted at various points throughout the state.

Research work is conducted in the Agricultural and Engineering Experiment Stations and in the Veterinary Research Laboratory.

Special announcements of the different branches of the work are supplied free of charge, on application.

Address, THE REGISTRAR, IOWA STATE COLLEGE,
Ames, Iowa

Student Directory

Statements made in this directory are based on the student's personal statement at the time of registration.

The classification represents the time that the student expects to graduate and not necessarily the official classification.

After the Ames address of each student will be found the number of his faculty counselor. This number refers to the list of counselors which will be found on page 37.
