IOWA ROAD BUILDERS

● CYCLONE SCOUTING REPORT

Oklahoma State has to be labeled the surprise team of the 1969 Big Eight season. Coach Floyd Gass, a Cowboy Alum, has lifted the team from a predicted last place club to one that could finish as high as first in the conference. If the Pokes win from Iowa State and Oklahoma they will be certain of a first division berth and possibly a title tie!

Gass runs his club from a basic pro-set — wide receivers, slot backs, and a great deal of passing. The pass is the main attack weapon for Oklahoma State. Bob Cuthbert has connected on 82 passes for 1185 yards and 12 touchdowns in eight games. His top receiver has been Herm Eben but Dick Graham and Bub Deerinwater are right behind Eben.

One reason, other than the fact that he is a fine passer, for Cuthbert's success is the nearly

impenetrable pass blocking wall the Cowboys throw up for him.

Deerinwater, in addition to being the No. 2 pass catcher, is the No. 1 ground gainer for Gass.

Defensively the Pokes turn again to the professional style in using a basic 4-0 or 4-3 alignment. It is not a big defensive team but it is unusually fast. About 95 per cent of the time the secondary is in zone coverage when the opposition takes to the air lanes.

Two of the top linemen in the conference play for Oklahoma State. John Ward, the big heavyweight wrestler whose last minute pin gave the Pokes the Big Eight mat title here last spring, was a fine two-way player earlier in the year. A knee injury has limited him to offensive duty in recent games. John Little, an all-conference defense star, is the other top lineman for Oklahoma State.

IOWA STATE FOOTBALL COACHING STAFF

JOE AVEZZANO

KING BLOCK

RAY GREENE

JIM JOHNSON

OLLIE KELLER

JOE MADDEN

JACKIE SHERRILL

GORDON SMITH

ARCH STEEL

PHIL CALLICUTT

Johnny Majors heads as fine a young football staff as there is in the nation today. He has blended youth and experience in perfect balance in his program that is destined to bring football excellence to Iowa State University.

Majors is one of the all-time Tennessee greats. He earned All-American honors in leading Tennessee to an unbeaten season in 1956. He was selected as the outstanding player in the nation that year. A great high school star, Majors was a winner then, in college, and as an assistant coach at Tennessee, Mississippi State, and Arkansas before coming to Iowa State following the 1967 season.

King Block was a great prep star in his native Idaho and a top fullback at the University of Idaho. His coaching talents have boosted football fortunes at Idaho, Arkansas State, Nebraska, and Washington State.

Jim Johnson was one of the finest nose guards ever to play for Arkansas following a great prep career in Port Arthur, Tex. He coached at Louisiana Tech, Arkansas, and Wichita State.

Joe Madden is a graduate of the University of Maryland and has been a top assistant at Mississippi State and Wake Forest before re-joining his old friend Johnny Majors at Iowa State.

Gordon Smith was no stranger to Iowa State, having played two years as an end for Missouri. He played for the Minnesota Vikings five years and was on the Arkansas Staff when Majors brought him to Iowa State.

Jackie Sherrill captained one of Alabama's national champions, later coached at his alma mater and then at Arkansas before moving north with Majors.

Ollie Keller was an outstanding player for Memphis State and then coached prep teams there until he joined Majors at Iowa State.

Joe Avezzano played for Florida State after a four-sport career in Miami. He coached both at the high school level and at Florida State.

Ray Greene, a triple threat star at Akron South, then with the University of Akron (captain as a senior). Coached all sports in high school and was on the University of Miami (Florida) staff when he came to Iowa State.

Arch Steel doubles as one of Majors' assistants and as academic counselor for the athletic department. A great player at Bowling Green, Steel joined the Iowa State staff in 1954. He had a long career as a prep and college coach before becoming a Cyclone.

Phil Callicutt, the head trainer for the Cyclones, has been a top flight trainer for 11 years and is still only 26. He is an Iowa Stater who worked with the football Cardinals, East Carolina State, Florida State and was head football trainer at West Virginia when he returned to Iowa State after the 1969 football season.

Final Game of Season For Cyclones

Both Oklahoma State and Iowa State are fighting for a special and personal prize today as they meet in the final Cyclone game of the 1969 season.

These two teams were not given what might be called very high ratings by the football writers in forecasting the final Big Eight standings. Now, with a victory today, each would be assured of finishing a notch or two higher than the experts had predicted.

Iowa State has equalled its 1968 victory string, Oklahoma State has one more win than it did in 1968.

These two teams have the youngest rivalry in the Big Eight. This will be only the eleventh time the two have met and only the tenth time as members of the Big Eight conference. The first game, back in 1926, was a Missouri Valley conference game for each team. Two years later the Big Six (later to become the Big Eight) was formed and the Cyclones and Cowboys did not meet again until 1960.

Iowa State holds a 5-4-1 edge in the series.

Fans today are in for a fine half-time treat. The West High School band from Waterloo will be performing. Classes are out

at Iowa State for the quarter break and the Cyclone bandmen are not on the campus. West High traditionally has one of the state's finest marching bands and is prepared to give another outstanding halftime performance. Bob Schaffer directs the Wahawak band. Head of West's fine music department is Dick Baker.

Here is a football note that has nothing to do with the game today but as fans you will be interested. The 1969 Football Recognition Dinner will be held in the Sun Room of Memorial Union at 6:15 on Dec. 2. Tickets will be available from Cyclone Club members and from both the Union and the Department of Intercollegiate Athletics.

Coach John Majors is closing out his second season at Iowa State and has done another fine job in his rebuilding program. Majors points to progress made this year but is far from satisfied with that progress. Almost as soon as today's game ends he will send his staff on the road in the first step for recruiting the 1970 freshman team.

The coaches will also be evaluating the current squads with thoughts as to where the best possible use can be made of each man in preparing for the 1970 campaign.

Honor Seniors in Home Finale

Today we — as Cyclone sports fans — pay honor to 12 fine senior football players who close out their Iowa State careers against Oklahoma State.

Nine of the 12 have been regulars throughout their Cyclone careers. Every man has made an outstanding contribution to the team.

Today, prior to the toss of the coin the seniors will be introduced to the crowd as they get ready to head for the mid-field ceremony. Many of these men will have special cheering sections for Senior Day. Players and coaches from their high school as well as their home town fans will be ready to give these veterans a tremendous sendoff for this closing game.

Here are the men we will be honoring today:

Wayne Beske, center, winner of two football letters, one in wrestling. The outstanding center in the Big Eight, an outstanding blocker, an inspiring leader. His home is Minneapolis. Beske is the nation's No. 5 collegiate heavyweight. At Golden Valley high he was both football and wrestling all state and captained the wrestling team, while winning 12 letters.

Mike Bliss, offensive guard, winner of two football letters. Seldom less than perfect in carrying out his assignments, sound, steady player, who is a fine blocker. Will have won three Athletic Council academic awards. Certain to make the Big Eight academic all-conference team. Won five letters at Ames high and was football co-captain.

Craig Boller, defensive tackle, winner of three football letters. Craig has been a swing man for the Cyclones, moving where he could help the most. Won 13 letters at Belmond high, gained all-state honors, and captained both football and basketball teams.

Jerry Fiat, linebacker, winner of three football letters. Fiat was a brilliant defensive leader as a sophomore, then was injured in spring drills and had to fight his way back into the lineup as a junior. He did it the hard way, too, playing nose guard and linebacker — weighing about 175 pounds! This year he ranks as an outstanding linebacker with 73 tackles. Played at Reavis high in Oak Lawn, Ill., where he was football, baseball, and basketball captain, earning 6 letters.

Bob Brouillette, punter, winner of two football letters. One of the nation's best punters, both on averages and placement. Few of his kicks are ever run back. Bob has kicked more times in a career (207), more times in a season (78 with a new record fairly certain today since he has kicked 76 times this year) than any other Cyclone punter. He will rank second in one season average and career average. Bob was football captain, an all-state end, and winner of four letters at Sioux City Heelan.

Larry Holton, defensive halfback, winner of three football letters. An outstanding defense man for two years under Clay Stapleton. Missed the 1968 season because of military duty. Has made more touchdown saving tackles than any other player this year. Was an all-stater at Keokuk high, where he earned nine letters.

Ray Coffey, fullback, winner of one letter. As a walkon, Ray led the freshman team in rushing, was the key man in the win over the Iowa frosh. He has been used all around the backfield at Iowa State, with good effect each time. He captained the Humeston high football team and earned 6 prep letters.

Fred Jones, defensive tackle, winner of three letters. Lacks only size to become a great post-graduate player. One of the best ever to wear the Cardinal and Gold. Football and hockey captain at Robbinsdale (Minneapolis) high. Top interior lineman when it comes to tackles or any other measuring stick.

Greg Dukestein, end, winner of two football letters. Greg has been another handy man for the Cyclones. With good speed and good hands he has been the back up man for outstanding players like Otto Stowe. He has shared the left end spot this year with Tom Lorenz. Greg captained his Melvindale (Allen Park, Mich.) high school team and earned four letters.

Mike Kirar, defensive end, winner of two letters. Sound, solid player who is so quietly tough only the frustrated opposition will notice him. Lost his junior season because of an injury. Captained the LaSalle-Peru (Illinois) football team and earned 6 prep letters.

Tom Elliott, defensive halfback, winner of two football letters. Tom is an Estherville junior college transfer who stepped right in as a regular in 1968. He has given Iowa State its finest punt return game in its history. An outstanding defensive player with above average speed. He earned All-American junior college status at Estherville. In high school at Swea City, Tom captained the basketball team and earned 13 letters.

Vern Skripsky, place kicker, winner of two football letters. Led the Cyclones in scoring as a sophomore and is the top scorer again this year. Holds Iowa State record for longest field goal (48 yards, three times), most career field goals (11), and is tied for most (5) in a season. Has had his best year this season in all phases of the kicking game. Earned five letters at Cedar Rapids Washington.

CHANGE IS IN THE WIND

Shaped in a wind tunnel...
Refined by the wind
at Daytona, Riverside, and Darlington.
Wind-shaped. Aerodynamic. Made to move.

1970 FORD TORINO

The most completely changed new cars of the year—Torino. New size. Longer. Lower. Wider. Quick and quiet. New shape. Shaped in a wind tunnel for a new, low-drag silhouette.

Torino Brougham. Here's the one that has it all. Distinctive new grille with Hideaway Head-

lamps. New interiors to surround you with luxury. More luxurious than any other car in its class. Top performance from a choice of five new V-8's, including the super efficient 351-cu. in. 4V. Top it all off with a glamorous vinyl-covered roof. Torino Brougham—sweeping its class.

1970 Torino Brougham 2-Door

More luxurious than any other car in its class. One of the 13 new 1970 Torino models—the most completely changed new cars of the year.

TORINO

Things

Valiant Duster 340

Plymouth GTX

Dodge Challenger

Plymouth Barracuda

Dodge Charger 500

**OUR
SPORTS PROGRAM
FOR
THIS SEASON**

Chrysler weather has arrived. Falling leaves take off on the wind—and our 1970 Chrysler Corporation lineup takes the field.

For a starter, Plymouth 1970 makes it with the Rapid Transit System: The fabulous Barracuda Series. Valiant Duster 340. And the imperturbable Plymouth GTX.

Or you could be Dodge material. Find out

with a run in the cars with the bumblebee stripe: The Challenger. Charger 500. Dart Swinger 340. Coronet Super Bee.

The loaded lineup. Performance on wheels, waiting for the moment you take over.

And while you're thinking about it—relax, sit back and enjoy the game.

**CHRYSLER
CORPORATION**

* Denotes number of varsity letters

Break your beard in right.

Right now your beard is in the formative stage.

You can shave it with a razor blade like your father does. And each time you do your beard will grow back a little more difficult. Until one day shaving's no longer a chore. It's an agony.

Look no further than your father's face for proof.

But fortunately, you're catching your beard at an early age. You can break it in to be just as shaveable 10 and 20 years from now as it is today.

With a REMINGTON® *Lektro Blade* shaver.

And if you think the kind of shave we're selling won't be close enough for you, you're wrong.

Our new Lektro Blade shaver has very sharp disposable blades. Just like a razor. So it gives very close shaves. Just like a razor.

What's more, you can dial a Lektro Blade shaver into a sideburn trimmer.

Admittedly, it costs more to buy our electric shaver than a razor and some blades.

But it's a good investment.

These next few years will determine how you and your beard will get along for the rest of your lives.†SPERRY RAND®

ABOUT OKLAHOMA STATE UNIVERSITY

Entering the 79th year since its first class of 45 students met in Stillwater's C o n g r e g a t i o n a l church 16 years before Oklahoma became a state, Oklahoma State University this autumn goes into the fourth year of the administration of President Robert B. Kamm.

Resident enrollment last year was 16,840 with a normal increase expected this autumn when perhaps 17,000 will be seeking degrees in OSU's Colleges of Agriculture, Arts and Sciences, Engineering, Business, Education, Home Economics, Veterinary Medicine and the Graduate College.

Salient facts about the great land-grant university at Stillwater include:

The faculty numbers approximately 800 and there are some 2,700 non-academic employees working at OSU. In graduate study the university grants the Ph.D. and Ed.D. degree in more than 50 fields, the MS and MA degrees in 70 areas of study.

There are some 3,000 graduates annually.

State's central campus now includes 415 acres with 70 major buildings, the evaluation now being approximately \$100 million. Adjoining experimental farms cover 2,352 acres and the university's Lake Carl Blackwell area to the west of the campus covers 19,364 acres, including 3,380-acre lake. OSU has 17 agricultural experiment stations around the state.

Campus housing in the 18 major dormitories has a capacity of 7,800 single students in addition to married student housing. Additional housing is provided off campus by 26 fraternities and 12 sororities.

Following the earliest athletic endeavors, OSU became a charter member of the Southwest conference in 1914, resigned to join the Missouri Valley conference in 1925, then became affiliated with the Big Eight conference in May of 1957.

C.Y. STEPHENS AUDITORIUM IOWA STATE CENTER

World affairs, grand opera, and the annual Christmas Festival of Music will be in the spotlight at the C. Y. Stephens Auditorium in December.

Charles E. Bohlen, former ambassador to Russia, will speak on "Emerging Trends in U.S.-Soviet Relations" at 8 p.m., Tuesday, Dec. 2. His appearance will open The Institute on World Affairs, which will feature a series of outstanding speakers on the topic of "The USSR: The Second Half-Century." The other sessions Dec. 3-6 will be held in the Memorial Union.

Bohlen, deputy undersecretary of state for political affairs, is one of the State Department's senior authorities on Soviet affairs. He was the U.S. Ambassador in Moscow during 1953-57 and has also been ambassador to the Philippines and France.

On Sunday, Dec. 7, grand opera makes its debut at the Auditorium when the Chicago Lyric Opera presents "Madame Butterfly." J. W. Fisher of Marshalltown, a member of the board of governors of the Iowa State University Foundation, arranged for the opera company to make this rare appearance outside Chicago. The singers will be accompanied by a 70-piece symphony orchestra. The performance is sold out.

Turbulent Northern Ireland will be subject Wednesday, Dec. 10, when Captain the Right Honorable Terence O'Neill, former prime minister of Northern Ireland, will speak at 8 p.m. His topic will be "Northern Ireland - Can There Be Peace?" O'Neill was prime minister of Northern Ireland for six years before resigning last April.

The Christmas Festival of Music will move out of the Armory and into the Stephens Auditorium for three performances of Handel's "Messiah" by the 400-voice Festival Chorus and the ISU Symphony Orchestra. Dr. W. Douglas Pritchard, director of choral activities, will direct the performances at 8 p.m., Saturday, Dec. 13, and at 3 p.m. and 8 p.m., Sunday, Dec. 14. All seats will be reserved and may be obtained for 50 cents by mail or at the Stephens Auditorium and the Hub Ticket Office.

Mail orders are now being accepted and window sales will open Dec. 2 for the Broadway musical, "I Do! I Do!" which will be presented Thursday, Jan. 22. Prices range from \$3 to \$6 for this special attraction.

Phil Ford and Mimi Hines as the newly-married couple in David Merrick's production of the N.Y. musical hit, "I Do! I Do!"

WINTER-SPRING

TENNIS

After finishing with a 9-4-1 dual season record last season, the 1970 team appears to be strong or stronger. Returning are five of last year's top six players. Gone is Rick Schultz who manned the number one position. But, with John Waltman, Ted Hommena, Mark Ackley, Gregg Peterschmidt and Dave Hammer as returning starters, the team should be improved. Adding to the team strength will be returning letterman Kim Gross and a host of fine freshmen tennis players. Among the top freshmen who might crack the starting lineup are Rick Wischmeier, John Olsen, Tom Rettenmaier and Fred Dahm.

DAVE FLEMING

L. C. "CAP" TIMM

BASEBALL

The 1970 season for the baseball squad will be that of the "new Look" in the Iowa State camp. The Cyclones will wear new home uniforms featuring a gold pin stripe with Cardinal accessories. So much for style and fashion.

More importantly, the Cyclones will be on their new field which will be one of the best in collegiate baseball fields in the country. Located south of the campus at the turn from Sheldon to Knapp Street, the new field grading and finishing was completed this fall.

The key to Cyclone success in the spring will depend a great deal on a young pitching staff headed by senior Bob Walker and Mike Gillespie, a sophomore. New faces on the mound staff will be those of sophomore Dennis Hout and freshmen Dave Erusha, Bob Thomas, Stan Kahn, Glen Reynolds, Bud Bond and Don Powers.

Nucleus of the 1970 Cyclone team will include Bob Case, Al Bolty and Steve Crandall, seniors; Ray Wood, Jerry Lundin and Bob Leech, juniors (Lundin and Leech are junior college transfers); experienced sophomores Larry Corrigan, Steve Mohr, Larry Dietrich and Mike Ellens. New men who could be a factor in the coming season are Warren Key, Tom Vaglica, Barry Jones, Rod Huisman, Ray Passarella and Ed Tadelman.

An added point of interest will be a doubleheader with the University of Iowa on April 7.

INDOOR TRACK

Coach Jerry Barland has wasted no time in making things as tough for his indoor track squad as he could. Tougher schedules, he believes, will make tougher performers of the Cyclones. Indoors he has added Missouri and will be at the Omaha and Houston invitationals. Outdoors Kansas and Southern Illinois will be triangular opponents in a meet in Ames.

To face this tougher schedule Barland will be relying on a very young team that will include only two seniors: Jim Walstrom and Ted Knutson.

Other fine veterans will include Steve Leonhardt, No. 2 Big Eight pole vaulter; Dennis McGuire, second in the 1969 cross country and sixth in the outdoor three mile race; Fran Long, an outstanding 440 man; and utility man Bob Anderson.

Several freshmen — Dan Hartung, Larry Begyn, and Dave

Marszalek — were cross country performers who did well. Other freshmen who have been working hard during the fall are Randy Stiles, Rick Freres, 880; Walt Bones, Dave Ricketts, high jumpers; Erik Tesdell, pole vault; Layne Herber, discus; Bruce Edlundson, Bob Larson, and Mel Southwell, 440 men; Don Weber, Al Reitman, and Pat Schlarbaum, sprinters; and John Levalts, javelin.

Freshmen who will probably report after the football season are George Amundson, discus and shot; Dave McCurry, hurdles; and Greg Mulhall, broad jump.

JERRY BARLAND

HAROLD NICHOLS

WRESTLING

Coach Harold Nichols has just been informed that the Iowa State mat team is ranked No. 1 in the nation. This could not have surprised anyone since the Cyclones return eight men who scored in the 1969 meet which Iowa State won. Included in that list are three defending champions — Capt. Dan Gable; Jason Smith, and Chuck Jean.

Nichols has a number of fine freshmen coming in to challenge the veterans. There will be no resting on any 1968-69 laurels as far as this team is concerned.

There is just one way that the squad wants to improve on the 1969 record — win the Big Eight and repeat at Northwestern in the Nationals. Iowa State turned in the most devastating performance in the history of the

SPORTS ROUNDUP

formance in the history of the National Collegiates last year. The meet was won after the Friday night semi-finals. There was no way the team could have lost at that point. Iowa State scored the most points in the history of the meet and had the biggest margin over the second place foe.

Nichols does point this out — both to fans and his squad — every team in the nation will be shooting at the Cyclones. This alone ought to provide the most challenging season in Iowa State's long and illustrious history on the mat.

GOLF

Coach Dale Anderson and his golf squad are shooting for a first division berth in the Big Eight again this year. The top goal is a first or second finish since that would qualify the team for an N.C.A.A. bid later in the summer.

Veteran members of the team are Tom Greedy, Jim Reiter, and Rex Smith. Other top contenders at this point are Ron Van Buskirk, senior; Wally Chamblis, sophomore; and Kim McKeown, freshman.

The 1969 team had a fine season, winning 15, losing 2, and tying 1. The third place finish in the conference could have been better, Anderson feels, had

DALE ANDERSON

JACK MCGUIRE

co-capt Jim Lockwood not had his right arm broken in a freak accident just before the meet.

SWIMMING

Coach Jack McGuire's swimmers have been voted into fourth place in the Big Eight standings by a poll of the conference coaches. There is a feeling that this pleases the big redhead who would like nothing better than to upset the dope with a much higher finish.

The Cyclone team will be mostly a freshman-sophomore aggregation, with only two seniors and a junior on hand. These veterans are Marty Strasburger, free style and medley; Terry Thompson, diver; and Dick Treharne, fly.

The top sophomores are Terry Lee, distances and medley; Ed Haapaniemi, fly and sprints; Tim Krizan, sprints; and Mike Barry, distances.

The four outstanding freshmen are Dirk Hanson, breast and medley; Eric Haapaniemi, sprints; Steve Spikes, diver, and Ed Oslund, back and breast.

BASKETBALL

Team strength will be in the experience of starters from last year which includes Bill Cain, Aaron Jenkins, Dave Collins, Jim Abrahamson and Jack DeVilder. Cain was second in the conference last year in scoring and first in rebounding. Jenkins was sixth in scoring while both Abrahamson and Collins finished in double figures.

Lack of size will be the toughest problem for Coach Anderson's charges. Two sophomores, Roger Ahrens 6-10, and Jim Miller, 6-8, may be an asset. Overall, the team will average about 6-2.

First year men who can help the cause are Gene Mack, an excellent shooter as well as an excellent passer and quarterback

in play-making. Rick Engel will bring rebounding ability into the lineup to back up Bill Cain.

The Cyclones will be a sound, solid club. This puts them in the same boat as other conference coaches who say, "Here we are with a lot of talent coming back and we should have a good chance to finish high in the league. But then we look around and know the other coaches feel the same way."

GLEN ANDERSON

ED GAGNIER

GYMNASTICS

Coach Ed Gagnier is readying another outstanding team. In its first action of the 1969-70 season it won five of seven firsts in the Kansas Invitational and took two-thirds of all the medals.

Leading the young team will be Brent Simmons who spent part of the summer in the middle east as a part of the United States effort to improve its chances of placing in the 1972 Olympics.

Other powerful veterans include Dennis Mazur, Rick Simmons, Dave Butzman, Russ Hoffman, Lindy Buck, Douk Peak, Jim Gilberto. The top freshmen are Jim Stephenson and Stew Buck.

The Cyclones won the Big Eight for the fourth time in five years last season and placed third in the Nationals. First in both those meets is now the goal of another outstanding gymnastics squad.

Hundreds of thousands of lucky fans are watching faster, safer football every weekend this year.

On Astro Turf,[®] Monsanto's amazing nylon field.

PAT. NO. 3332828

Even the best natural turf fields can't give players and fans—as well as schools, colleges and cities—all the advantages of AstroTurf. Here's why:

Better-than-grass footing.

The Astro Turf field gives your team faster, surer footing—rain, sleet or shine. Players can cut sharper, run faster. Kickers can concentrate on the kick without worrying about footing. And quarterbacks can get set faster, and pass better—and they can see their receivers more clearly.

No mud. Ever.

Nylon AstroTurf can't turn to mud. Even if it rains buckets, your team

has the footing to play fast, precision football—and keep on passing. Another advantage of the mudproof field: you'll always be able to tell who's who, because uniforms stay clean and bright all game long.

Fewer injuries.

Player's cleats can't lock in AstroTurf so player's feet are free to move when hit, eliminating the twists and wrenches responsible for most knee and ankle injuries. And with fewer injuries, there are fewer time outs to delay your game. AstroTurf helps take the crunch out of hard falls, too. With a thick shock-absorbing pad just underneath the

layer of grasslike AstroTurf nylon. Sure, there are some injuries on AstroTurf, but not as many.

Tremendous stamina.

An AstroTurf field can be used 24 hours a day, 7 days a week. For lots of things besides football, too. This can mean great dollar savings for schools, colleges and cities faced with a growing land squeeze. AstroTurf can take all you can dish out.

Amazing AstroTurf.

Maybe your school will have it soon. Want more information? Write Monsanto, AstroTurf, Dept. D, 800 N. Lindbergh Blvd., St. Louis, Mo. 63166.

IOWA STATE UNIVERSITY

Department of Intercollegiate Athletics

Cardinal and Gold

SCHOLARSHIP PROGRAM

Hundreds of student-athletes have had their education at Iowa State University financed through contributions of Cyclone Club members. More and more, the success of major college athletic programs is dependent upon the financial support of alumni and friends. The Iowa

State University Department of Intercollegiate Athletics is proud to honor the individuals and firms on these pages who have contributed one or more \$1,000 GOLD Full Scholarships or \$500 for a CARDINAL Half Scholarship.

Iowa State Courtesy Car Program

Nineteen automobile dealers in Iowa are helping the Iowa State athletic program through the loan of courtesy cars. Like other programs which are a part of the Cyclone Club, this project enables Iowa State to make greater use of its funds. These sports-minded dealers around the state have earned a great debt of gratitude from the Iowa State University Department of Intercollegiate Athletics. They are a most important part of the "team", a team that includes players, coaches, administration, faculty, staff, students, alumni, and the men behind the courtesy car program.

FORWARD FOR AGRICULTURE

Touchdown or
field goal

Mary Ann Maurer, senior in applied art from Ames, illustrates for your edification the various signals used by officials in today's football game. Mary Ann is a member of Chi Omega sorority and is active in campus and student activities.

The great contributions being made by Iowa State University are of tremendous benefit to the most important industry in America . . . agriculture. By providing leadership in technical research and highly trained agricultural specialists, ISU is a strong factor in the continuing progress being made by farmer-owned Felco Cooperatives.

Felco Soils Technical Representative Dave Seehusen is a 1968 Iowa State University graduate with a B.S. in Ag Business.

A FORWARD FORCE
IN AGRICULTURE

Unsportsmanlike
conduct

Personal foul

Ball ready for play

Safety

Illegal use of
hands and arms

Intentional
grounding

Forward pass or
kick catching
interference
