Dear Clarence:

I am writing to about 40 people a letter of which I have addressed a sample to you, copy attached.

I realize that I won't have covered nearly all of the people who are watching Wood Duck boxes in their yards with my list of some 40 people so I am wondering if you would be interested in writing a short newspaper article telling people, who I have not reached, that if they want to be included, I will be glad to have them send me their name and I will mail them a copy of my letter and the form attached.

If you need more information, let me know.

Yours very truly,

Frederic Leopold
