

Dear Mr. Leopold, 5/29/66.

I am pleased to get so much letters and other writings and enjoy it. Your recent article in our Los Angeles paper about the Wood duck - has given us so very much pleasure. I wanted you to know it - I lost my sight of glaucoma after 7 operations and feel that I still can't see you though - my husband died 6 years ago - and I run my business of an office with 3 bonded workers - we handled 3 thousand customers each year - I left my home and came here for some home sightseeing.

Page - 2 - We have 18 blind here, and
4 workers - One just died - 57 years old -
who was graduated in music - we miss her very much.

She was our song leader - Our piano player
is 45 years old, also graduated in music -

I have 3 school teachers - who look their
night - and they still coach us - This

is beautiful - home - 60 ft from bank of H. M. River.

Have 5 acres of ground - land scraped - at present

have blind have owned it - 50 years - the plan to

sell and get more room as we have many

men and women waiting to get in -

Page 13 - I'm looking in here and me

wrote 'you - and ask you - if you have any

either interesting, stories, about my life to

please tell me - the all work on our self - go to

learn's now some - see work - some, thinking

to do health work, and keep others in

church, meeting - club get state, house, belong

to 3 Club - name a pretty club - my favorite

We are so close to River - I had power, much

power and lots - rabbits, some & birds here.

Please let us have a few lines - as all of us think

you must be wonderful man. to make such interest in world

although - we are blind - We are a dev

branch - - We wrap bandages for cancer Society

and do things out side - take trips and
have real good

entertain many friends -
food - most of us look corrupted -

all have - T.V. - radios and, phonographs

all pay our way - with - 5 and 5 - pennies

or money -

Please let us hear from you,
I bless you and your family
