Mr. Frederic Leopold.
Burlington
Iowa.

Dear Mr. Leopold:

The committee of the I.O.U. were delighted to have you accept the invitation to address the members of the I.O.U. at Cedar Rapids in May.

I suppose our attendance will be from one hundred to one hundred fifty. I am enclosing a card which you may fill out and return to me. You may use time up to one half an hour, with time left for questions and answers. We would like to know whether you would rather appear in the morning some time between 9:30 and 10:30. or in the afternoon between 1:30 and 3:30.

It is rather unfortunate that you can't have us on your grounds for this address. When I showed your letter to Fred Kent, the official photographer of the university he said, 'You tell Mr. Leopold that our Iowa City group would be more than delighted

to make a trip to Burlington any time that it would be convenient to him, just to see those ducks." so if that was an invitation there are a number of us here who would be very glad to accept it for some Sunday.

Our committee will meet in March some time to complete the program and I will inform you as to what our program will be.

Sincerely
