Gentlemen:

I am glad to have your letter suggesting that your meeting of the Iowa Ornithologist Union might be interested in hearing something about my ducks while they are in session at their annual meeting the 10th *of May*.

I will be glad to take the time to take part in the program. I could do a much better job of course if I could have your group here in Burlington in May which is right at the height of their nesting activities. That of course is impossible.

Would you be good enough to let me know the size of the group and how much time you would want from me. I would prefer to make my remarks very informal and more in the nature of a seminar than a formal talk.

At your convenience I will appreciate hearing from you.

Sincerely yours,

THE LEOPOLD COMPANY
