Dear Member of the Iowa Ornithologists' Union:

This is a cordial invitation to you from the Cedar Rapids Bird Club to attend the 30th annual convention of the Iowa Ornithologists' Union to be held on the Coe college campus in Cedar Rapids, May 10 and 11. Our Union is one of those organizations honored by being invited to meet on the campus during Coe's Centennial celebration.

You will find enclosed the program for our meeting which also lists the interesting field trips which have been planned. We hope to make this an outstanding convention with a field trip record a distinct possibility. Birding has been excellent in our area this year and we expect it to continue.

You will note that all sessions of the convention are on the Coe college campus and you will further note in the program that the Sunday breakfast, at 4 a.m., will be served in the coffee shop of the Roosevelt Hotel. We urge you to make your room reservations early and can recommend either the Roosevelt or the Montrose hotels.

On behalf of the Cedar Rapids Bird Club may we again extend an enthusiastic invitation to attend this two-day meeting. We are looking forward to seeing you all in May.

Sincerely,

Robert F. Vane
