Dear Mrs. Strasser:

Thank you for your nice letter of May 18th. It's especially interesting to hear from you on account of your former working with Mr. J. N. Darling and whom we all remember affectionately and with great respect. Aldo Leopold was my elder brother so you can readily see that I do feel a bit closer to you and your connection with Mr. Darling.

Just as a matter of information, I am sending you a copy of the instruction sheet which I have given to my friends who are interested in helping wood ducks with their nesting problems. Perhaps you have a friend who would like to have this copy in case you are not situated in an area where you could consider a project of this kind.

Yours very truly,

Frederic Leopold
