

We urge you to Press for Nixon's Impeachment. Preserve our liberty.

In order that our country is ol laws rather than men, vote impeachment.

Vote to impeach nixon. His contempt for justice and use of power are intolerable.

Impeach Nixon. Otherwise precedent is established that President is above law, and democracy is lost.

Please work for impeachment to restore public confidence in our government.

Despite Nixon's belated agreement to turn over the tapes, we strongly feel that he has lost the ability to govern democratically, honestly and effectively.

In view of President Nixon's violations of his promise to the country of an independent investigation of the Watergate affair by firing Archibald Cox and disbanding the special prosecutor office, I strongly feel that this corrupt, morally degenerate man, Mr Nixon, has no right to leadership of this great country and should be impeached and removed from his office at once.

I cast my w te for justice and honor in the presidency. Impeach Nixon.

Please do what is best for our country. Impeach Nixon.

Impeach Nixon or this district will fell public confidence destroyed.

It is time to begin impeachment proceedings. No man is above the law.

Impeach Nixon. If President above the law, we have no democracy.

For arrogance and contempt of the people, impeach the President.

Please do not destroy public trust in the function of Congress. Impeach Nixon.

We support the resignation or impeachment of Richard Nixon for high crime of fraud.

Americans deserve sincere honest leadership, not dictatorship. Impeachment is imperative.

I voted for Richard Nixon, and am very sorry I did so. I now think that impeachment proceedings should be begun against him.

As principal of ... elementary school it has become increasingly difficult to support the actions and reactions of President Richard M. Nixon....A child of eight who indicates he does not have to follow rules and regulations any more than a President needs to follow laws or obey court decisions leaves educators and parents in a poor position to help children grow into honest adult citizens.

The events of the past weekend have indicated to me that our system of government, in which no man is above the law, has been seriously and arrogantly threatened. For that reason I ask you to support impeachment proceedings against President Nixon.

Many people believe that this nation cannot withstand the trauma of impeachment. I disagree. If the nation cannot withstand impeachment proceedings, it is already "going under for the third time." Quite often short term agony ends in long term maturation.

Enough is enough. Call for Nixon's impeachment.

Impeach Nixon fast for overt obstruction of justice.

Please work for immediate impeachment of Richard M. Nixon.

Save the county. Impeach the president.

Are we a nation under law or a nation under a President? If we're a nation under a President, we're screwed.

The action of Mr. Nixon in the last few days makes it imperative that the unthinkable must now be thought..(Nixon) is either a Fascist dictator or mentally incapable anymore.

Honorable men have been fired; honest men have resigned. It is time you Congressmen show some courage for a change.

He will no doubt try to hide behind the mideast situation and use it as a shield, hoping that we think we have too much to lose. I don't think we have anything to lose. Mr. Nixon says that he is above the law so the only choice we have is to impeach him now.

I realize that this is a very serious matter, but we cannot tolerate a President using his office to protect himself from the laws of this country.

It is long past the time when the Congress should remove this tyrant from office to reestablish the principle that all men are subject to law.

Mr. Nixon's firing of Archibald Cox and liquidation of the special ~~XXXXXXXXXX~~ Watergate investigating unit is the last act of arrogance the nation should have to endure from the man. I don't see how, in conscience, Congress can refuse to impeach him.

We believe this must be the last act of R.M. Nixon and demand that impeachment begin.

Please hurry before the man takes control of Congress as well as the courts.

greatest threat to the Presidency today is the Pres. himself
