Dear Member of the Faculty:

Over the past few weeks a conflict has developed on campus between the Black Student Organization and the Athletic Council. In order to inform you, we are enclosing all of the documents which have to this date been transmitted between the BSO and the Athletic Council. This includes an explanation of the grievances prepared by the black students.

The survey presented below asks for your response in terms of how you perceive this issue. We hope that you will take the few minutes necessary to read the material and fill out the form.

When the data has been summarized the information will be presented to President Parks and the Administration. However, no individual will be identified. You may respond anonymously unless you personally feel that you want to sign your name.

Thank you for your time and interest.

Sincerely,

Summer Student Coordinating Council
United Campus Christian Ministry
