Minority Program Office

LIFT EVERY VOICE AND SING

Lift ev'ry voice and sing, Till earth and heaven ring,
Ring with the harmonies of Liberty
Let our rejoicing rise High as the list'ning skies,
Let it resound loud as the rolling sea
Sing a song full of the faith that the dark past has taught us;
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won

Stony the road we trod, Bitter the chast'ning rod,
Felt in the days when hope unborn had died;
Yet with a steady beat, Have not our weary feet
Come to the place for which our fathers sighed?
We have come over a way that with tears has been watered;
We have come, treading our path thro' the blood of the
slaughtered,
Out from the gloomy past. Till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou who has brought us thus far on the way:
Thou who hast by Thy might, Led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God, where we met Thee,
Lest our hearts, drunk with the wine of the world, we forget
thee;
Shadowed beneath Thy hand, May we forever stand
True to our God, True to our native land.
